Thrice a Week Edition

New York World

Practically a Daily at the Price of a Weekly

No other Newspaper in the World Gives so Much at so Low a Price.

This is a time of great events and you will want the news accurately and promptly. The Democrats, for the first time in sixteen years, will have the Presidency and they will also control both branches of Congress. The political news is sure to be of the most absorbing interest.

There is a great war in the Old World; and you may read of the extinction of the vast Turkish Empire in Europe, just as a few years ago you read how Spain lost her last foot of soil in America, after having ruled the empire of half the New World.

The World has long since established a record for impartiality, and anybody can afford its Thrice-a-Week edition, which comes every other day in the week, except Sunday. It will be of particular value to you now. The Thrice-a-Week World also abounds in other strong features, serial stories, humor, markets, cartoons; in fact, everything that is to be found in a first-class daily.

The Thrice-a-Week World's regular subscription price is only \$1 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE HARTFORD HERALD both together for one year for only \$1.05.

The regular subscription price of the two papers is \$3.00.

EIGHT HEARTS WERE FOUND IN FOUR PERSONS

Mother and Three Children,
Normal in Other Respects,
Possess Them.

Easton, Penn., Jan. 18.—A case said by physicians to be the first in medical science was discovered here yesterday by Dr. James A. Morgenstern, when he was called to the residence of Berton Perkins to attend one of the children who was suffering from chickenpox.

The case was an unusually severe one and the physician made a minute examination. When he placed his hand on the right side of the child's chest he was amazed to find a heart beating there, and a moment later was astonished to find another heart on the left side.

It led him to request Mrs. Perkins to allow an examination of herself and the other children, and the physician found that not only the child, but the mother and two other children in the family each had two hearts.

To-day, accompanied by several of the leading physicians of the city, another visit was paid to the house, when Dr. Morgenstern's discovery was confirmed.

Mrs. Perkins and her children, Anna, Allen and Doris, aged 13, 11 and 4, respectively, are apparently normal in all other respects.

Local physicians are so deeply interested in the discovery that one of the children is to be brought forward for observation at the next meeting of the Northampton County Medical Society.

Fever Sores.

Fever sores and old chronic sores should not be healed entirely, but should be kept in healthy condition. This can be done by applying Chamberlain's Salve. This salve has no superior for this purpose. It is also most excellent for chapped hands, sore nipples, burns and diseases of the skin. For sale by all dealers.

TAKES HIS OWN LIFE— NO CAUSE IS ASSIGNED

Springfield, Ky., Jan. 18.—Goodloe Barnett, 23, who lives near Kirtland, the northern part of West Virginia county, committed suicide late this afternoon by hanging himself. He had been to Mercer county to-day to get a load of goods for his father's store. Returning late in the day he immediately went to the barn to feed his team. When after a long time he did not return, one of the family went to look for him and found him hanging from the loft of the barn. He had given no intimation of an intention to end his life. He left no explanation of his act and his

family is unable to account for it. Mr. Barnett was the son of George Barnett, who conducts stores at several points in the county. Barnett was unmarried.

WANTS TO SEND BABY BY THE PARCELS POST

Anxious Georgian Writes to
Postmaster General About
the Matter.

Washington, Jan. 18.—The mailing of babies by parcel post is a real infant industry which Postmaster-General Hitchcock is asked to foster.

In the circumstances of his bachelorhood, Mr. Hitchcock is considering seriously the calling into consultation of experts in the transportation of babies, as a letter which he received yesterday presents to him a problem with which he is quite unfamiliar. To add to his embarrassment the letter contains a note of genuine pathos which appeals strongly to the Postmaster General. This is the letter identically as it was phrased and punctuated:

"Ft. McPherson, Ga.
"Postmaster General:
"Washington, D. C.

"Sir I have been corresponding with a party in Pennsylvania about getting a baby to rails (Our home being without One) May I ask you what specifications to use in wrapping so it (baby) would comply with regulations and be allowed shipment by parcel post as the express co are to rough in handling Yours ———"

The name signed to the letter is withheld at the request of Mr. Hitchcock.

As babies in the opinion of the Postmaster General, do not fall within the category of bees and bugs—the only live things that may be transported by mail—he is apprehensive he may not be of assistance to his correspondent.

Persons troubled with partial paralysis are often very much benefited by massaging the affected parts thoroughly when applying Chamberlain's Liniment. This Liniment also relieves rheumatic pains. For sale by all dealers.

INDIGESTION FIVE YEARS

Relieved by Vinol.

Strength and even life itself depends upon the nourishment and proper assimilation of food, and unless digestion is good, the whole body suffers.

Mrs. L. D. Cook, Vineland, N. J., says: "I was sick five years with indigestion. My stomach seemed to have a heavy load in it, and at other times it seemed to be tied in knots. Nobody knows how I suffered."

"I tried a great many doctors and a great many kinds of medicine, but nothing did any good until I took Vinol. It has helped me wonderfully. I am improving fast, feel better and am getting my flesh back again. Vinol has done me a world of good."

We know the great power of Vinol, our delicious cod liver and iron tonic without oil, in curing chronic stomach trouble and building up all weakened, run-down persons, and that is why we guarantee to return your money if it does not help you. James H. Williams, Druggist, Hartford, Ky.

Don't Suffer!

"I had been troubled, a little, for nearly 7 years," writes Mrs. L. Fincher, in a letter from Peavy, Ala., "but I was not taken down, until March, when I went to bed and had to have a doctor. He did all he could for me, but I got no better. I hurt all over, and I could not rest. At last, I tried Cardui, and soon I began to improve. Now I am in very good health, and able to do all my housework."

TAKE CARDUI The Woman's Tonic

You may wonder why Cardui is so successful, after other remedies have failed. The answer is that Cardui is successful, because it is composed of scientific ingredients, that act curatively on the womanly system. It is a medicine for women, and for women only. It builds, strengthens, and restores weak and ailing women, to health and happiness.

If you suffer like Mrs. Fincher did, take Cardui. It will surely do for you, what it did for her. At all druggists.
